All vehicles include general living and bedding equipment and feature automatic transmission. The floorplans and specifications are indicative of the vehicle that will be supplied. Actual vehicles may vary according to year of manufacture and availability but your vehicle will be suitable for the required number of people and have similar specifications to those listed. Specifications may change without notice and cannot be requested. Rear cabin air conditioning, heating and microwave must be connected to 240V mains power to function. Solar power panels are used as backup and assist the 12v battery power supply only. Items requiring 240v mains power will not operate from solar power. Please refer to www.maui-rentals.com/au for detailed info on child and booster seats. MAU038-02/26.
