

WINNEBAGO

**ODYSSEY
40F**

THE ROAD IS CALLING. TIME TO ANSWER.

Combining globally recognised RV heritage with designs tailored for Australian and New Zealand touring, Winnebago motorhomes deliver premium comfort, thoughtful innovation and dependable performance so you can travel further and explore more with confidence.

This is travel the way it was meant to be: unhurried, comfortable and completely your own.

THE WINNEBAGO ADVANTAGE

- » Premium fit and finish throughout
- » Modern comfort paired with smart technology
- » Intelligent design for long-distance touring
- » Nationwide support, wherever the road takes you
- » A globally trusted brand, built for exploring Australia and New Zealand
- » Market-leading warranty support

Freedom with confidence.

INTRODUCING **THE ALL-NEW ODYSSEY**

The Odyssey brings together modern design, premium comfort and the latest touring technology in a motorhome built for the next generation of travellers.

More space to relax.

More capability to explore.

More reasons to stay just a little longer.

Designed for extended journeys and effortless living, the Odyssey is ready for wherever the road leads next.

OMNI PANEL CONSTRUCTION SYSTEM

Precision-engineered panels unite strength, insulation and advanced sealing into one refined structure, enhancing durability, minimising body movement and delivering a quieter, more composed journey.

SEAMLESS FIBREGLOSS EXTERIOR

Custom-moulded fibreglass forms a smooth, uninterrupted finish with clean lines and a distinctly premium presence.

RENOGY ONE VISION SYSTEM

Intuitive, centralised control of power, lighting and tank management, seamlessly integrated for effortless command.

PREMIUM FURNITURE AND FINISHES

Carefully selected lightweight materials and refined detailing create a sophisticated interior, balancing elegance with lasting durability.

AMBIENT LIGHTING

Soft, considered illumination sets a warm and inviting tone, perfect for unwinding in comfort at the end of the day

BUILT FOR THE OPEN ROAD

ADVENTURE GOES BEYOND THE EVERYDAY DRIVE.

From coastal highways to remote inland routes, the Odyssey is engineered to perform in real touring conditions.

Advanced aerodynamics, durable construction and thoughtfully integrated design deliver a smoother, more confident journey wherever the road leads.

AERODYNAMIC EXTERIOR DESIGN

Smooth, sculpted surfaces and integrated airflow features help reduce drag and enhance driving efficiency.

CUSTOM BODY DESIGN

Exclusive to Winnebago Australia and New Zealand, delivering a distinctive and refined touring presence.

AWNING

Extend your living space with instant shade and outdoor comfort at camp.

INTEGRATED EXTERIOR LIGHTING

Seamlessly incorporated for a clean, modern finish.

CONVENIENT EXTERIOR SERVICE POINTS

Easy access for simple setup and everyday maintenance.

TRAVEL FURTHER. STAY LONGER.

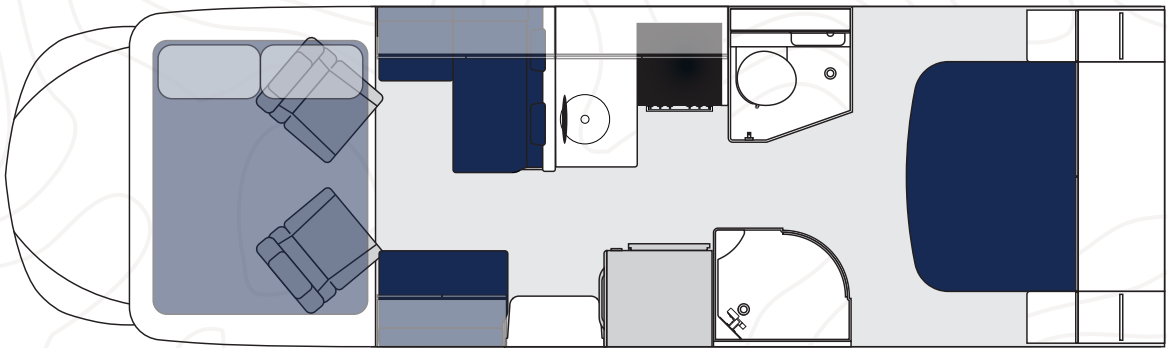

Step inside and discover
a motorhome designed for
the way you really travel.

- » A well-appointed kitchen with gas cooktop, microwave and full fridge/freezer brings the convenience of home cooking to life on the road.
- » The rear bedroom features a comfortable island bed, with a separate toilet and shower and a privacy door to create a quiet, private retreat.
- » A comfortable lounge and dinette with premium upholstery creates an inviting space to relax and dine, with swivel cabin seats extending the living area when parked.
- » Soft ambient lighting throughout the interior creates a warm and inviting living environment.
- » Thoughtfully designed storage throughout the interior keeps travel essentials neatly organised and within easy reach.
- » A smart onboard control panel allows you to easily monitor power and water levels through a custom Winnebago interface.
